Subject: How are you?

Dear Snoopy,

Thank you for your e-mail. I am fine in Hong Kong. Let me tell you more about my life so far.

There is a lot of work at school. I finish doing my homework at ten o'clock every day. I started to learn Chinese a few weeks ago. It is fun and I enjoy doing it. I've made some new friends. They go fishing on the weekends. They always invite me to join them. But I don't like fishing because I don't want to hurt the fish. It's cruel! I like to play the piano. I will start practising some new songs for a competition. Lucy encourages me to work hard! She stays with me and watches me practise when she is free.

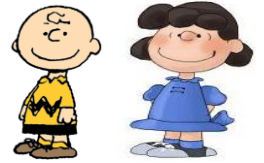

It has been a long time since we met last time. Do you miss watching TV with me at home? We can continue to watch the cartoon series "A Dog's Tale" together when I am back next month. Please promise to bring Woodstock along! I suggest playing Monopoly after the cartoons. What do you think? You can also choose to play card games if you want to. Please let me know!
