### Lesson 1

### Worksheet 1

**Part A** Read Nemo's story about his day at school.

Hi everyone! I am Nemo. Let me tell you about my day at Ocean Primary School!

I am always the first fish to get to school in the morning. After I arrive at school, I swim to my classroom. Usually, there is no other fish in the classroom. I **turn on** the lights and fans. Then, I go to my seat and open my schoolbag. I am very careless. I always can't find my things. Every morning, I need to take out all my books in the school bag to **look for** my things. Luckily, I always find them at last!

During the English lesson, there are always a lot of new words to learn and we need to **look up** the meanings in the dictionary. In the General Studies lesson, we have to do group projects, and **look into** some social problems.

It is very cold in the classroom because of the fans. The teacher will **turn down** the fans and the classroom will get warmer. She tells us to **look after** ourselves.

I am often the last student to leave the classroom at the end of the day. I **turn off** all the lights and fans before I leave. I love to go to school.
